Unless otherwise agreed, payment should be made by the due date stated in the invoice and laid out in the 'Billing Cycle' on page 4. To ensure admission of students, the final payment deadline is the first day of term.
- ii. Students in Term 3 of Year 11 and 13 will not be charged a tuition fee but will be billed an examination fee and related charges for any external examinations.
- iii. Discounts on tuition fees apply for larger families as follows: 3rd child - 5%, 4th child - 10%, 5th and subsequent children - 15%.
- iv. For current students, a minimum payment of THB 50,000 per student must be paid by the invoice due date in order to confirm that student's place for the following term. If this payment is not made, the place may be offered to another student on our waiting list. Payments made after the due date will be subject to a late payment charge equivalent to 1% per month or part thereof.

The payment for each student must be made by the invoice due date to confirm the place. If the payment is not made within the due date, the place may be offered to another student on the waiting list.
