  - Year 12 = Grade 11; Year 13 = Grade 12

### Reporting System

- There is no weighting of grades or calculation of Grade Point Average
- It is the policy of the school to not rank students or calculate GPA.
- Transcript projected grades reflect the student's likely final grade in the (I)GCSE, GCE A(S) and IB examinations. This grade is based on the teacher's professional judgement and the student's approach to learning and is drawn from a range of evidence, including the quality of class and home learning, key assessment data, attendance and, where appropriate, exam results.
- In cases where universities require or request, Bangkok Patana School reports all changes to a student's enrolment status as a result of a serious disciplinary incident.

### Policies and Procedures of Note:

- Bangkok Patana School students sign and submit an application integrity agreement before university applications are processed. This agreement ensures understanding of the Guide to Ethical Practice in College Admission outlined by the National Association of College Admission Counselling (NACAC).
- Bangkok Patana School students are limited to 12 well-considered applications to university. UC's and UCAS each count as one university application.
- Bangkok Patana School policy allows for a maximum of one counsellor recommendation and two teacher recommendations unless otherwise required by a university.

Our mission is to ensure that students of different nationalities grow to their full potential as independent learners in a caring British international community.

# (I)GCSE Curriculum and Results 2025

**English (Language and Literature)**

**Mathematics (Algebra, Calculus, Trigonometry, Statistics, Vector Geometry)**

**Coordinated Sciences (Single, Double Award or Triple Science)**

**World Languages (French, German, Japanese, Mandarin, Spanish or Thai)**

In addition, students choose three from a list of optional subjects: Art, Business Studies, Computer Studies, Drama, Design + Technology, Economics, Geography, History, ICT, Music and Physical Education.
