SCHOOL INFORMATION

Bangkok Patana School is Thailand's first and largest British international school, educating students aged 2 to 18. As a not-for-profit institution, the school has built a strong reputation as one of the leading educational establishments in Southeast Asia.

The School enters its 70th year of education based on a legacy of strong values in academics, arts and sports.

SCHOOL CURRICULUM

We provide learning from Foundation Stage through to Senior Studies for 2,304 students from over 60 countries. In Secondary, students follow a broad, enriched curriculum based on the English National Curriculum, leading to IGCSE qualifications in Years 10 &11 (Grade 9 &10) and the International Baccalaureate in Years 12 & 13 (Grade11&12). All courses are taught in English with the exception of foreign languages.

UNIVERSITY APPLICATION POLICIES

We believe that students and universities benefit when applications are well considered. Year 13 (Grade 12) students can submit a maximum of 12 university applications. UCAS and the University of California system are each counted as a single application.

We require students and parents to sign an application integrity agreement before any university applications are sent. This agreement aligns with the National Association for College Admission Counselling (NACAC).

Our policy permits a maximum of one counsellor recommendation and two teacher recommendations, unless additional references are specifically required by a university.
