Musical Ensemble Guidance

The Year 7-9 music course is a performance-based programme, taught in groups once a week in the regular music lesson.

- Many students start from the beginning on an assigned instrument in Year 7.
- Students who already play an instrument can continue with that instrument rather than start a new one.
- Students continue with the same instrument through Years 8 and 9.
- We hope that most students will get their first-choice ensemble, but the size of the ensembles is also a consideration.

There are five ensembles to choose from:

String Ensemble:	Violin, Viola, Cello, Double Bass
Concert Band:	Flute, Clarinet, Alto Saxophone (woodwind) Baritone, Trumpet, Trombone, French horn, Tuba (brass) Percussion (both snare drum and glockenspiel must be learned)
Guitar Ensemble:	Classical Guitar
Thai Ensemble:	Ranard, Khim, Sor Oo and Sor Duang
Vocal Ensemble:	Voice

In the first few lessons students will be introduced to the instruments within their ensemble and allocated a suitable instrument.

Instrument Rental

The school will lend students the instruments, and there is a small maintenance fee (600 Baht) for students using a school instrument. This fee covers upkeep, repairs and accessories, charged on a termly basis with other activity charges.

More Information

More specific information about the programme is included in our online booklet and in this video.
