Modern Foreign Language History of new students in Key Stage 4 (Year 10)

Dear Parents,

Accompanying this letter is the form for you to provide us with the history of your child's MFL - Modern Foreign Language (s) learnt so far in their schooling. The modern foreign languages offered in Years 10 & 11 are **French, German, Japanese, Mandarin, Spanish** and **Thai First Language**. We also offer **French Home Language** (for native speakers), **ESL** (English as Second Language).

Please note that all Thai students are required to undertake Thai as part of government regulations.

Most non-native or bilingual English speakers will be assessed by the Head of our Secondary School EAL Faculty as part of the application process. **All students who require English as an Additional Language (EAL) support will participate in ESL.** This is mandatory and will take precedence over any other language option.

New Year 10 students **must** choose at least one language for (I)GCSE in the Year 10 Options form. Students applying for Key Stage 4 (Years 10 and 11) without prior MFL experience should contact Mrs. Suzanne Lindley, Assistant Principal, Curriculum and Assessment (suli@patana.ac.th) to discuss the best options.

Home Language Students: Please note that **Year 10/11** IGCSE First language French, paid for by parents, 2 x 950 thb per week (160 minutes)

Please do not hesitate to contact me if you require further information about language choices in the Secondary School. Please contact me also if you wish your child to be considered for a taught Home Language class.

Yours sincerely,

Celine Courenq
